TOPIC Cotthus Airfield 20 25X EVALUATION	20	Approved For Release 2004/01/22 : CIA-RDP82-00457R006900550010-9	
TOPIC Cottbus Airfield 22 25 X EVALUATION PLACE OBTAINED DATE OF CONTENT 21 December 1950 26 X REFERENCES PAGES 1 ENCLOSURES (No. & TYPE) REMARKS 25 X1 1. On 21 December 1950 about 35 to 10 twin-engine aircraft were parked in front of the closed hangars of the Cottbus (N 52/A 57) airfield. The planes were of the same type previously reported. * There was no fleid was removed, except for the mast, which was, however, stripped of the horizontal rods. ** 25 X1 ** Commont. The occupation has not changed as compared with the observation of 7 December 1950. Additional PE 2s are probably parked in the fangers. On this basis, it is believed that two bomber regiments are stationed in Cottbus instead of only one as has been assumed. The radar set was previously reported by robably parked in the fangers. On this basis, it is believed that two bomber regiments are stationed in Cottbus instead of only one as has been assumed. The radar set was previously reported by reported the removal of the set on 5 December of the same report stated on 7 December 1950, that the set was set up again at another place. The location of the set apparently has been depended forever stated on 7 December 1950, that the set was set up again at another place. The location of the set apparently has been depended forever the set was report stated.	M	CLASSIFICATION SPORTS
